If you like sports, Annecy will go above and beyond your expectations. Between the lake and the mountains, you are spoilt for choice! There is something for everyone and all ages, from hiking, paragliding, sailing, water skiing, cycling and of course winter sports.

● A REGION RICH IN CULTURE & TRADITION

Great events punctuate the life of Annecy throughout the year: the Venetian Carnival, the International Animation Film Festival (the largest festival of animated films in the world), the Lake Festival (a spectacular «Son et Lumière» which sets the lake ablaze every first Saturday in August)...

● A GOURMET CITY

With its bars, restaurants and cafés, Annecy is a city that combines both the art of living and gastronomy. The little Venice of the Alps is famous for its local cheese dishes. What could be better than a Raclette, a Tartiflette or a Fondue by the fire? The city is full of restaurants to suit all budgets and tastes.
